Clin Lab India & DIAGNOSTICA In-Vitro Diagnostic Pavilion is the Exhibition & Conference platform that focuses on Laboratory Medicine, Point of Care Testing, Molecular Medical Diagnostics and Clinical Chemistry. It will highlight recent developments and market trends in the IVD and allied areas. It will bring together the top leaders in the Medical Laboratory industry/IVD (In-Vitro Diagnostics) industry. This segment will feature alongside Medical Fair India and attract all categories and stakeholders across 3 Days.

ABOUT MEDICAL FAIR INDIA

The 30th edition of Medical Fair India was held in March 2025, held at Bharat Mandapam (Pragati Maidan), New Delhi lived up to its legacy of bringing together the best in global and Indian healthcare marked three decades of healthcare innovation, collaboration, and industry transformation.

The show cemented its reputation as the country's premier platform for the medical and healthcare industry and continues to uphold its reputation as a world-class platform for industry engagement, innovation, and empowerment. The 2025 edition received strong institutional backing from prominent industry associations and key stakeholders from across the healthcare ecosystem—from policymakers and innovators to medical device manufacturers, hospitals, tech startups, and researchers.

The 31st and 32nd editions will take place at Hall 4 & 5, Bharat Mandapam (Pragati Maidan), New Delhi (January 29-31, 2026) and Hall 4, Bombay Exhibition Center (Goregaon E), Mumbai (September 17-19, 2026) respectively.
